

Planning & Zoning Commission

May 24, 2018

The regularly scheduled meeting of the Planning & Zoning Commission was held at Town Hall on May 24, 2018. In attendance were Chairman Boyan, Commissioner Scholl, Community Development Coordinator Hardin. Absent: Commission Members Wilson and Catellier. Guests: Dean Johnson and Chris Brown.

Call to Order

Chairman Boyan informed everyone that there are not enough Planning and Zoning Members to have a quorum so he apologized and said that there could not be a meeting this evening. The evening of Thursday, May 31, 2018 was discussed as a possible date to have the meeting. Everyone at the meeting said that they would be available the evening of the 31st. Clerk of Council Fisher said that tomorrow she would contact everyone and inform them of the new meeting date.

Respectfully submitted,

Cindy Fisher

Clerk of Council
