

Delmar Parks

Is your organization planning an activity or event? Depending on your needs, there are three (3) parks available for your use in the Town of Delmar.

- *The **State Street Park** is equipped with restrooms, water, electric, picnic area, pavilion, playground, and tot lot.*
- *The **Gordy Park** offers a pavilion, picnic area, tennis court, basketball court, ball field, open field, and playground.*
- *The **Tot Lot**, located on West Jewell Street, offers a picnic area and a playground for the little ones. No reservation is needed for the use of the Tot Lot.*

*Applications for the use of the State Street Park and Gordy Park are available at the Delmar Town Hall. The rules and regulations for the parks are printed on the application. (Users are encouraged to reserve the park six to eight weeks in advance to ensure a choice of date.) There is a **\$25.00 fee** for groups of eight or more. There is an additional **\$20.00 fee** for electric if it is needed. Upon completion of the activity, a site inspection will be held. The contact person for the activity will be **held financially responsible for any damage** exceeding expected normal use.*

*To ensure fairness to requestors of the parks, no reservations will be held until the **\$25.00 fee** has been paid. Arrangements will be made at the time of the application to obtain keys to the restrooms for the State Street Park.*

We encourage Delmar residents to take advantage of the parks located in our town
