

Interest on Delinquent Utility Bills

*Delinquent utility bills accumulate an **interest of 1%** per month beginning the day after the due date. The due date is listed on the bottom of all utility bills and is generally one month after the billing date. Other penalties for late payment include a **\$10 administrative fee** on the seventh day after the due date and up to a **\$55 re-connection fee** for disconnection due to non-payment. Disconnection for non-payment can occur as early as sixteen days after the due date. Customers with questions concerning their utility bills are encouraged to contact Town Hall upon receipt of the bill and prior to the due date. To help us process payments as quickly as possible, residents should bring both sections of your bills to the Town Hall when making payments*
