

SARA BYNUM-KING
TOWN MANAGER

SUMMER 2019
JUNE, JULY, AUGUST

Town of Delmar Highlights of Fiscal 2020 Budget

The Town of Delmar budget public hearing was held on Monday, May 20, 2019 at 6:30 p.m. in the Delmar Town Hall, 100 S. Pennsylvania Avenue. The budget is a public record in the office of the Town Manager, open to public review by anyone during normal business hours of Mon-Fri, 8:00 a.m. - 4:30 p.m.

Budget 2019-2020

	Operating	Capital	TOTAL
Delmar, Maryland	\$ 2,190,146.00	\$ 169,232.00	\$ 2,359,378.00
Delmar, Delaware	\$ 1,375,600.00	\$ 116,846.00	\$ 1,492,446.00
Delmar Utility Commission*	\$ 1,859,744.00	\$ 1,561,898.00	\$ 3,421,642.00
TOTAL	\$ 5,425,490.00	\$ 1,847,976.00	\$ 7,273,466.00

*The Delmar Utility Commission is a joint venture of the Mayor & Commissioners and Mayor and Council. It is not a component unit of either town and is therefore reported separately. The Utility Commission is referenced in the Town of Delmar Budget Message for disclosure and the details are presented in a separate budget document.

REVENUES:

The Mayor & Commissioners voted to follow the Constant Yield Tax Rate set by the Maryland Department of Assessments of 0.7021, a reduction from the current tax rate of 0.7444. The Mayor & Council's real property tax rate will increase from .60 to .62 (per 100 of assessed value). Personal property tax for Delmar, MD will remain the same, at \$2.50 (per 100 of assessed value). Operating tax will remain the same at \$3.00 for Delmar, MD and Delmar, DE (per 100 of assessed value).

Tax Rates 2019-2020

	Real Property	Operating Property	Personal Property
Delmar, Maryland	.7021	3.00	2.50
Delmar, Delaware	.62	3.00	

- Garbage collection fees will remain the same in FY 20 for Delmar, MD and Delmar, DE. Republic Services will continue to provide garbage and recycling services to the Delmar, DE residents and garbage service to the Delmar, MD residents. The fees will continue to be collected by the Town on the annual tax bill.
- The connection fees for water & sewer will remain the same in FY 20. The water service charge for residential will remain the same as FY 19 at \$4.00 per 1,000 gallons. The sewer service charge for residential will also remain the same as FY 19 at \$5.50 per 1,000 gallons. The quarterly availability fee will remain the same at \$17.45 and the quarterly front footage fee of \$35.00 will also remain the same.
- An average water and sewer customer with quarterly usage of 15,000 gallons can expect a quarterly bill of \$209.95.

EXPENDITURES:

- The Joint Council is currently allocating cost shares based upon the 2010 census population data which determined the split should be 60/40 in the Police, Executive and Finance Department's expenses. Also, it was agreed beginning FY12 by the Joint Council to reallocate the cost share based upon actual road mileage between Delmar, Maryland and Delaware. Based upon the data received by State Highway Administrations in Fiscal Year 2011 the split should be 73/27, therefore, all applicable expenses are allocated accordingly unless they are project specific. A written agreement was signed by the Joint Council, which stipulated that the cost allocation of all departments to be reviewed annually during budget preparations.
- A cost of living adjustment of 3% was included in this year's budget. All officers of the Police Dept. will receive a 2 step increase.
- Capital Outlay for utility items include the purchase of operating equipment for both the Water Treatment Plant and WWTP as well as a SCADA system for the lift stations, and sewer main replacement/lining.
- Capital Outlay for MD/DE include 3 new police vehicles and outfitting, 2 new Public Works trucks, and the purchase of a new mower and Bobcat equipment for Public Works. Several paving projects throughout Maryland and Delaware have been budgeted for as well as various sidewalk repairs town wide.
- Current service agreements that were established for the maintenance of the water towers and all generators at plants and pump stations are also included.

Please contact Sara Bynum-King at (410) 896-2777 or (302) 846-2664, Extension 105 with any questions pertaining to the FY 2020 budget.

TOWN OF DELMAR-DE/MD
Application for Senior Citizen Discount

Owner (s): _____

Property Address: _____

Telephone Number: _____

Tax ID: _____

(Can be completed by Town Hall Employee)

THE APPLICANTS DO HEREBY SWEAR OR AFFIRM:

1. That one of the property owners has attained the age of 65 years by March 1st of the year the application is filed.
2. That as of March 1st they are the sole owner of the property; they reside on said property 7 out of 12 months of the year; that the property is used exclusively for residential purposes; and that property taxes are current.

I hereby swear and affirm that this information is true and correct to the best of my knowledge and belief, and further understand that a false declaration in this application will subject me to the penalties provided by the law for perjury.

Signature

Date

This Form MUST accompany payment to receive discount.

Please be informed that no discounts will be given after September 30th or after initial payment has been received and processed. The allowed discount **is 5% of the Property Taxes** only. **This does not apply to the garbage fee.** This request is to allow the discount to be applied prior to sending the bills out to the residents and mortgage companies. Applications will not be sent directly to the mortgage companies. If you have any questions pertaining to this application please call (410) 896-2777 or (302) 846-2664, Extension 107.

If your taxes are paid through escrow by your mortgage company, please complete this form and return it to Town Hall prior to July 1, 2019.

The Delmar, Maryland Municipal Primary Election for one (1) Mayor and two (2) Commissioners will be held on Tuesday, September 24, 2019. Qualified voters may vote between the hours of 7:00 a.m. and 7:00 p.m. The General Election will be held on Tuesday, November 19, 2019.

The graphic features a central seal of the Town of Delmar, Maryland, with a yellow border containing the text 'TOWN OF DELMAR, MARYLAND' and 'THE LITTLE TOWN TOO BIG FOR ONE STATE'. The seal itself has a blue top half with a white star and a yellow bottom half with a red and white checkered pattern. Overlaid on the seal are two election calendars.

**Mayor and Commissioners

<u>Deadline- Candidacy Filing</u>	Monday, September 9, 2019
<u>Deadline- Voters to Register</u>	Thursday, September 19, 2019
<u>Primary Election Date</u> 4 th Tuesday in September.	Tuesday, September 24, 2019

**Mayor and Commissioners
Town of Delmar, Maryland
2019 General Election Calendar**

<u>Date of Election</u> 3 rd Tuesday in November	Tuesday, November 19, 2019 Starting at 7:00 a.m. Closing at 7:00 p.m. Or until last person in line at close of doors has voted.
---	--

Qualifications for Mayor and Commission Member are as follows:

- (a) A resident of the United States and of the State of Maryland and a resident of the Town of Delmar, Maryland for at least two (2) years preceding the municipal elections;
- (b) Be at least 21 years of age
- (c) Each of the qualifications for Town Commissioner and Mayor shall be continuing qualifications to hold office and the failure of any of the Commissioners or the Mayor to have any of the qualifications required by the above during the terms of his/her office will create a vacancy in the office.

Certificates of Candidacy must be completed at the Town Hall by 4:30 p.m. no later than Monday, September 9, 2019. No person shall file for nomination to more than one (1) elective office at a time. **All candidates filing to be a Delmar Elected Official must comply with the Town’s Ethic Ordinance #724, Section 5(Financial Disclosure)**

To be eligible to vote in this upcoming municipal election, persons must be at least 18 years of age, and who has resided in the Town of Delmar, Maryland and the State of Maryland for at least six (6) months preceding the day of the election and must register at Town Hall. Registration is from Monday through Friday 8:00 a.m. to 4:30 p.m. at 100 S. Pennsylvania Avenue, Delmar, MD. Registration deadline is Thursday, September 19, 2019 at 4:30 p.m.

Please contact Town Hall with any questions at (302)846-2664 or (410)896-2777, Monday through Friday between the hours of 8:00 a.m. and 4:30 p.m.

Annual Drinking Water Quality Report for 2018

**Delmar Utility Commission
100 South Pennsylvania Avenue
Delmar, Maryland 21875
MD PWS ID# 0220001
PWS ID# DE0000567
May 23, 2019**

We are pleased to present to you this year's Annual Water Quality Report. This report is designed to inform you about the quality of the water and services we deliver to you every day. Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water. Our water source is **ground water. We have two wells that draw from the Manokin Aquifer.**

The Department of Natural Resources and Environmental Control in conjunction with the Division of Public Health has conducted source water assessments for nearly all community water systems in Delaware. Contact the Delmar Town Hall at 410-896-2777 or 302-846-2664 regarding how to obtain a copy of this assessment or go to <http://delawaresourcewater.org/assessments/>. Overall, the drinking water supply system exceeds drinking water standards for metals; has a high susceptibility to petroleum hydrocarbons; a moderate susceptibility to nutrients; and a low susceptibility to other inorganic substances, other organic substances, pathogens, PCBs, and pesticides.

If you have any questions about this report or concerning your water utility, please contact the **Town Manager Sara Bynum-King, at 410-896-2777 or 302-846-2664 between 8:00 a.m. and 4:30 p.m. Monday through Friday.** We want our valued customers to be informed about their water utility. If you want to learn more, please attend any of our regularly scheduled meetings. They are held **the first Monday of every month at 6:30 p.m. at the Delmar Town Hall, 100 S. Pennsylvania Avenue, Delmar, Maryland.**

Public Health, Office of Drinking Water and Delmar Utility Commission routinely monitor for contaminants in your drinking water according to Federal and State laws. This table shows the results of our monitoring for the period of January 1st to December 31st **2018.**

In this table, you will find many terms and abbreviations with which you might not be familiar. To help you better understand these terms, we have provided the following definitions:

Non-Detects (ND) - laboratory analysis indicates that the constituent is not present.

Parts per million (ppm) or Milligrams per liter (mg/l) - one part per million corresponds to one minute in two years or a single penny in \$10,000.

Parts per billion (ppb) or Micrograms per liter - one part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.

Maximum Contaminant Level (MCL) - The "Maximum Allowed" (MCL) is the highest level of a contaminant allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.

Maximum Contaminant Level Goal (MCLG) - The “Goal” (MCLG) is the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.

Maximum Residual Disinfectant Level (MRDL) –The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.

Maximum Residual Disinfectant Level Goal (MRDLG) –The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.

TEST RESULTS						
Contaminant	Violation Y/N	Level Detected	Unit Measurement	MCLG or MRDLG	MCL or MRDL	Likely Source of Contamination
Disinfectants & Disinfection By-Products						
Chlorine as (Cl ₂) Delaware Maryland	N	0.9-1.1 0.7-0.8	ppm	4	4	Water additive used to control microbes
Haloacetic Acids (HAA) Delaware	N	3.242	ppb	n/a	60	By-product of drinking water disinfection
TTHM Total trihalomethanes] Delaware Maryland	N	13.1 7.41	ppb	0	80	By-product of drinking water chlorination
Inorganic Contaminants						
Fluoride Delaware Maryland	N	0.386-0.907 0.01*(2017)	ppm	0.8-1.2	2.0	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories
Nitrate (as Nitrogen) Delaware Maryland	N	3.169-3.257 3.06	ppm	10	10	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits
Volatile Organic Contaminants						
Tetrachloroethylene Delaware	N	0-0.72	ppb	0	5	Discharge from factories and dry cleaners
Xylenes Delaware	N	0-0.00112	ppm	10	10	Discharge from petroleum factories; discharge from chemical factories
Secondary Contaminants						
CONTAMINANT	Level Detected	Average	Unit Measurement	MCLG		
Sodium (Na) Delaware	15.8		ppm	n/a		
Alkalinity (Alk) Delaware	14.8		ppm	n/a		
pH Delaware	7.46		ppm	6.5 – 8.5		
Chloride (Cl) Delaware	12.9348- 13.4	13.11	ppm			
Iron (Fe) Delaware	110		ppb	300		
Sulfate Delaware	9.9941- 10.4	10.17	ppm			

*The state allows us to monitor for some contaminants less than once per year because the concentrations of these contaminants do not change frequently. Some of our data, though representative, are more than one year old.

All other contaminants were ND in compliance with the Safe Drinking Water Act.

Lead-If present, elevated lead levels can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Delmar Utility Commission is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at www.epa.gov/safewater/lead.

As you can see by the table, our system had no violations. We're proud that your drinking water meets or exceeds all Federal and State requirements. We have learned through our monitoring and testing that some constituents have been detected. The EPA has determined that your water is drinkable at these levels.

MCL's are set at very stringent levels. To understand the possible health effects described for many regulated constituents, a person would have to drink 2 liters of water every day at the MCL level for a lifetime to have a one-in-a-million chance of having the described health effect.

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity. In order to insure tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. Food and Drug Administration regulations established limits for contaminants in bottled water, which must provide the same protection for public health.

- 1) Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operation, and wildlife.
- 2) Inorganic contaminants, such as salts and metals can be naturally[occurring or result from urban storm water runoff, industrial or domestic wastewater discharge, oil and gas production, mining, or farming.
- 3) Pesticides and herbicides, which may come from a variety of sources, such as agricultural, urban storm water runoff, and residential uses.
- 4) Organic chemical contaminants, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production, and can also come from gas stations, urban storm water runoff, and septic systems.
- 5) Radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities.

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that the water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline at 1-800-426-4791.

Thank you for allowing us to continue providing your family with clean, quality water this year. In order to maintain a safe and dependable water supply we sometimes need to make improvements that will benefit all of our customers. These improvements are sometimes reflected as rate structure adjustments. Thank you for understanding.

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426- 4791).

Please call our office if you have questions.

DELMAR UTILITY CUSTOMERS

We are happy to announce that we can provide a new mailing option for your quarterly billing.

We can email your quarterly bill directly to your email !

The set-up is quite simple. **Email us at delmartownhall@verizon.net from the email address that you wish to receive your quarterly bill and provide a brief message that you wish to begin the new E-Bill option.** We will attach the email address to your utility account. We will send out a “test” email to ensure proper delivery will occur to the new billing quarter.

Reminder

Delinquent utility bills accumulate an **interest of 1%** per month beginning the day after the due date. The due date is listed on all the utility bills and is generally one month after the billing date. Other penalties for late payments include a **\$10.00 administrative fee** on the seventh day after the due date.

- Disconnection for non-payment can occur as early as sixteen days after the due date. A **\$40.00 Disconnection fee** is added as of 8 A.M. on the date of the scheduled disconnection.
- If you are making an on-line payment please allow a full 24 hours for payment to be notated on your account.
- If the bill is not satisfied and water is disconnected; before water service will be restored the entire amount of the bill and a **\$10.00 reconnection fee** must be collected

during regular business hours (8 a.m. – 4:30 p.m.)

- Services can be restored after hours; **after 6:00 p.m. and the reconnection fee is \$30.00.** Payment must be rendered to Town Hall by 9:00 a.m. the following business morning. Payments can be deposited in the drop box located behind Town Hall.

PAYMENT OPTIONS FOR OUR RESIDENTS HAVE CHANGED

- Payments can be made through our Town’s website; www.townofdelmar.com through a secured portal.
- You will now have to enter a PIN (personal identification number) to obtain your information within the payment option. This PIN will be printed on your next quarterly utility bill as well as your future tax bills.
- You can review transaction history of your account such as billing information, meter readings, usage and 3 years of tax history.

Please follow the steps below to review your account and/or to make a payment:

1. Go to the Town’s website: www.townofdelmar.com .
2. Select “Links”
3. Select “Taxes and Utility Inquiry and Payment”
4. Enter PIN and account will appear

There are fees associated with paying your bill online. If you pay by ACH or e-check, there is a \$1.05 convenience fee. The fee for a debit or credit

card payment will be approximately 2.95% of your total bill.

Payment received through this method will be imported on a daily basis and this will ensure the most updated information available. We hope this enhancement will be enjoyed by our residents and provide a secure user friendly way to pay your utilities and taxes.

43rd Annual Day in the Park

Date: Saturday, June 1, 2019

Time: 10:00 a.m. to 6:00 p.m.

Where: State Street Park, Delmar, DE

Rain Date: June 15, 2019

Food, crafts, informational vendors, raffles, 50/50, games, live entertainment.

The festival is sponsored by the Greater Delmar Chamber of Commerce.

Stop by the Town's Elected Officials table and by making a donation to the Delmar Heritage Day Fund, you will have a chance to win one of the 3 raffle items.

Delmar Parks and Recreation

The Delmar Community Garden is coming along well. It is located at the old Police Department building on the corner of Pennsylvania Avenue and Walnut Street. If you haven't been out yet be sure to go take a look!

The Council has two new members, Ms. Patricia Petersen and Ms. Beth Dayton. We are still looking for one more member from the Delaware Side of Delmar.

The Delmar Parks and Recreation Council will be at The Day in the Park on June 1st at State Street Park so be sure to stop by. The Council will be handing out 2019 Vegetable Handbooks and more.

The weather has been beautiful so don't forget to take advantage of the Delmar Parks. There are four Parks located in Delmar. State Street Park is located on State Street. Two parks are located off of S. Pennsylvania Ave; Gordy Park and Mason Dixon Park. There is also a Tot Lot located on Jewell Street. We offer reservations for the pavilions located at State Street, Gordy and Mason Dixon (fees do apply). Please feel free to call for more information on how to reserve one of our Parks for your event.

News from the Delmar Public Library

Prepare to Blast Off !! into the Universe of Stories this summer at the Delmar Public Library. Readers can check out books, DVD's audio books, eBooks and online magazines as well as online movies- all free of charge with a Delaware Library card. Special kid's cards are available for younger readers. Reader sign-up begins June 1 at Delmar's Day in the Park and continues throughout the summer.

This summer's event calendar is full of programs and performers for children and adults. "We Came In Peace" celebrates the 50th anniversary of the Moon Walk on June 24th. "Look Up At The Stars" is a view

of the universe through a multi-media program and then hands-on viewing through a telescope on June 28th. The DE Aerospace Education Foundation brings its' Star Lab on July 17th. Presentations for children and adults by staff from NASA is scheduled for July 9th.

Learn to create your own podcast with Delmar resident Tony Russo on June 19th. Children will enjoy Stevens Puppets production of "The Wizard of Oz" on July 18th and Rehoboth Children's Theater on July 10th. Learn how the railroad shaped Delaware and Delmar with Mike Dixon on August 12th.

Art programs for children and adults are scheduled throughout the summer as well as other returning performers like Ran D Shine and Jump Bunch. M4Reactor will provide monthly STEM programming and children can participate in Make It Monday throughout the summer. Chef Bonnie Aronson returns to cook up Seasonal Desserts on June 26th.

The Library will hold a book sale on July 12th and 13th. Its' annual Quarter Auction is scheduled for July 24th at the Delmar, VFW, with doors opening at 5 p.m. and games starting at 6:30 p.m. All proceeds support the Library's Capital Campaign.

Information about these programs and more can be found on the Library's website: delmarpubliclibrary.org or its event calendar at <https://delawarelibraries.libcal.com/calendar/delmar>.

The Library will be closed July 4, August 26 and September 2. Please call 302-846-9894 to speak with Library staff.

Delmar Edward Jones is happy to be a part of the Delmar Community and would like to express their appreciation for their clients and friends.

Please mark your calendar for the upcoming client appreciation event.

Refreshments will be served.

Wednesday, July 3rd from 3 P.M. to 6 P.M.

Delmar Edward Jones Office
Stateline Plaza, 38650 Sussex Highway, Unit 7,
Delmar, DE

Please call Lisa at 302-846-3424 or email lisa.palmer@edwardjones.com by July 1st.

Lisa Palmer Branch Office Administrator

HIGH VOLUME USER DATA FORM

**** APPLICATION MUST BE COMPLETED AND TURNED IN BY AUGUST 15TH ****

Date: _____

Name: _____

Address: _____

Phone #: _____

Account # _____

Reason(s) for high usage: (Check off any that apply)

_____ Swimming Pool

_____ Excessive Shrubbery & Flowers

_____ Garden (s)

_____ Boat Maintenance

_____ Sprinkler System

_____ Other (please specify below)

This form must be completed each year. Customers meeting guidelines will receive sewer abatement for the excess usage over normal average consumption. Customers that feel they are a high volume user, but do not qualify within the guidelines, must present their request before the Utility Commission. This policy will be in effect during the summer months of June, July and August. High Volume Users will only receive a reduction of the sewer charge, not the water fee.

Town of Delmar
Delmar Town Hall
100 S. Pennsylvania Avenue
Delmar, MD 21875
